

## MANUAL BOOK-BINDING PRESS KL mini

Manual book-binding press KL mini serves for smaller works at book pressing/smashing, drying of prints/graphics/art reproductions, print of collages and lino-cuts, etc. in A5 size.

Pressure plates are produced in steel, a precise/exact quiding of the upper desk is provided by steel rods. The pressure is set up manually by rotation a screw rod operated by grab handle /grab bar.

Bottom rubber legs provide stability of the press on the working surface. Robustness of the structure is a guarantee of reliability in operation/dependability and a long-term operating life of the equipment. KL mini supports a set of bigger bookbinding presses KL 1-3.

### TECHNICAL DATA:

<b>Model:</b>	<b>KL mini</b>
<b>Plates working area:</b>	150 x 210 mm
<b>Max. layer of the pressed materials:</b>	150 mm
<b>Dimension (w x l x h):</b>	265 x 155 x 330 mm
<b>Weight:</b>	9,5 kg
